

Wave 75 Product Specifications

Ideal for pools	Up to 30' x 60'
Cycle time	2, 3, 4 hours
Cable	78 feet
Weight	20 lbs
Suction rate	75 gpm
Power supply	Digital switch-mode 100-250V IP 54
Filtration	50 and 70 micron filter bags for all types of dirt and debris
Motor unit voltage	Output less than 30 VDC
Caddy	For handling & storage
Warranty	36 months or 3000 hours on non-wearable parts

About Maytronics

Nobody knows robotic pool cleaners like Maytronics – the company behind industry-leading Dolphin robots. For more than 30 years, we have been developing robotic cleaning solutions for the world's swimming pools.

Starting in 1983, we pioneered automated electronic pool cleaning technology. Today, Maytronics remains the market leader, continually setting new standards for technological innovation, design and reliability.

In everything we do, we strive to make pool owners' and users' lives easier and more enjoyable.

Our goal: to enable an exceptional experience of a pure, clean, safe, and relaxing pool.

Exceptional Experience

maytronics | institutional pool cleaners

WAVE – THE TRUSTED NAME FOR INSTITUTIONAL POOL CLEANERS

Dolphin Wave 75 highly efficient fully automated cleaning for small institutional pools.

Accurate scanning allows systematic coverage of the pool floor, walls and waterline. High-capacity filtration space capture dirt, dust and other type of debris, leaving a clean surface throughout the cleaning cycle.

The Wave 75 ensures heavy-duty cleaning performance with robust reliability for long-term effective operation.

Wave 75 key features and advantages

Outstanding results

- Scrub, brushes, vacuums and filters the entire pool – floor, walls and waterline
- Cable Swivel prevents cable tangling and ensures ongoing operation
- Thorough active brushing efficiently removes algae and bacteria
- Dual-filtration options - Ultra fine and Fine filters for all pool condition and seasons
20% extra filtration capacity, leaves the pool water clean and free of hair, dust, insects and other debris

Easy to maintain

- Fully automated – plug and play
- Caddy for handling and storage

Cost-effective, long-lasting value

- Built to last – brushless suction motor, heavy duty design
- Minimize manual cleaning – just set and forget
- Efficient and precise cleaning

Professional support and service

- Full warranty on non-wearable parts for 36 months or 3000 hours, whichever comes first. Maytronics also offers extended warranty programs. Please contact your dealer for details.
- Onsite start up and training provided by certified Maytronics product experts.
