HIGH PERFORMANCE FILTERS

OPAL SERIES CARTRIDGE FILTERS

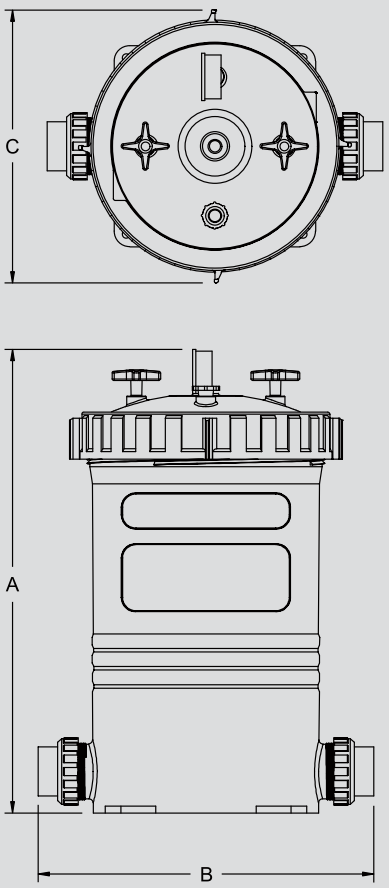
The OP Series Advantage

OP SERIES

- Super fine filtration for sparkling clear water.
- Tough heavy duty polyester filter fabric with wide and deep pleats for better efficiency, easy cleaning and longer cartridge life.
- Solid one piece filter tank, constructed from high impact polypropylene and rated to a working pressure of 250kPa.
- No backwashing required, therefore no salt and pool chemicals released into waterways.
- Filter cartridge is easily cleaned by hosing the pleats with a standard garden hose.
- Low profile compact design for easy cartridge removal and inconspicuous enclosure.
- Suitable for all types of pools and spas, fresh water and salt water.
- Resistant to chemicals and corrosion.
- UV resistant housing and components.
- 50mm barrel unions for easy installation and quick disconnection.
- Supplied with a quality oil filled pressure gauge with an easy to read dial.



Warranty

- 10 year warranty on tank
- 12 months on other components.
- 12 months for commercial installations.
